

# CSS Exercises for Beginners

## Exercise 1: Styling a Simple Profile Card

Objective: Learn how to style text, change fonts, add background color, and center content.

HTML Code:

```
<div>
  <h1>John Doe</h1>
  <p>Web Developer from New York. Loves coding, coffee, and cats.</p>
</div>
```

Instructions:

1. Create a new HTML file and paste the above code in the `<body>`.
2. Inside a `<style>` tag in the `<head>`, write CSS to:
3. - Change the heading (h1) color to dark green
4. - Use Arial font for all text
5. - Center-align the text
6. - Set background color of the div to #f0f8ff (light blue)
7. - Add padding of 20px inside the div

What you will learn: How to apply text color and fonts, center text, add padding, and set background color.

## Exercise 2: Create a Colored Navigation Bar

Objective: Practice using background-color, padding, and inline block layout.

# CSS Exercises for Beginners

HTML Code:

```
<div>  
  <a href="#">Home</a>  
  <a href="#">About</a>  
  <a href="#">Contact</a>  
</div>
```

Instructions:

1. Paste the above inside the <body>.
2. Write CSS to:
3. - Set background color of the div to navy blue
4. - Style the a tags:
5. - Set text color to white
6. - Add 10px padding on all sides
7. - Use display: inline-block; so links appear side-by-side
8. - Remove underline using text-decoration: none

What you will learn: How to style links and layout a basic horizontal navigation bar.

## Exercise 3: Design a Product Box

Objective: Introduce students to borders, box-shadow, and spacing.

# CSS Exercises for Beginners

HTML Code:

```
<div>  
  <h2>Wireless Headphones</h2>  
  <p>High quality sound. Noise cancelling. 20 hours battery life.</p>  
</div>
```

Instructions:

1. Paste this in your HTML file.
2. Write CSS to style the div:
3. - Add solid gray border (2px)
4. - Add rounded corners (border-radius: 10px)
5. - Set a light gray background (#f5f5f5)
6. - Add box-shadow: 4px 4px 10px #ccc;
7. - Use margin: 15px; to create space between elements

What you will learn: How to apply borders, shadows, and spacing for modern card design.
